Dear Robert:

I Want to thank you for the lovely book of the history of the Loomis family. Emma had a smaller book on the Loomis family made up for me. I dont know if I owned it to you. While doing a little cleaning in the attic I came across some lace that was in Hiram Loomis' store I am going to inclose a small piece of it. I am sorry I didnt get this letter to you before, Thank you again for the book

Sincerely
Laura Rude
